

ABOUT ERIC PEARL AND THE RECONNECTION

Internationally recognized healer-ERIC PEARL has appeared on countless television programs in the US and around the world, spoken by invitation at the **United Nations**, presented to a full house at **Madison Square Garden** and his seminars have been featured in various publications including *The New York Times*.

As a doctor, Eric ran a highly successful chiropractic practice for 12 years until one day when patients began reporting that they felt his hands on them – even though he hadn't physically touched them. Patients soon reported receiving miraculous healings from cancers, AIDS-related diseases, epilepsy, chronic fatigue syndrome, crippling arthritis, cerebral palsy, birth disfigurements and other serious afflictions. All this occurred when Eric simply held his hands near them. And to this day, it continues.

His patients' healings have been documented in six books to date, including Eric's own international bestseller, *The Reconnection: Heal Others, Heal Yourself*, soon in its 36th language.

Based in Los Angeles, Eric Pearl and Reconnective Healing elicit great interest from top doctors and medical researchers at hospitals and universities worldwide, with new research projects presently underway at multiple facilities under the guidance of such renowned research scientists as Gary Schwartz, PhD, William Tiller, PhD, Konstantin Korotkov, PhD, and others.

Eric travels the globe extensively throughout the year bringing the light and information of Reconnective Healing onto the planet. He teaches you in seminars how to activate and utilize this new, all-inclusive spectrum of healing frequencies that allows you to completely transcend "energy" healing and healing "techniques" for the very first time, to access a level of healing *beyond anything anyone has been able to access prior to now*. To date, more than 60,000 people have been taught this work (in more than 60 countries), bringing about a spontaneous generation of healers worldwide.

RECONNECTIVE HEALING®

Reconnective Healing tends to be a life-changing experience. Now, for the first time, you may access a new, more comprehensive spectrum of healing than has been attainable at any point prior to now, one that not only includes yet expands beyond any and all known forms of "energy" healing. The Reconnective Healing spectrum is comprised of the full healing and evolutionary continuum of **energy, light and information**. It allows for healings that are not just physical, not just mental, not just emotional... yet go beyond that to bring you healing that includes the evolution of your very being and essence! Vastly different than Reiki, Johrei, Jin Shin, Qi Gong or any healing "technique" ever encountered, Reconnective Healing allows you to transcend technique and its limitations. Entirely.

"If you're lucky, your healing will come in the form you anticipate. If you're really lucky, your healing will come in a form you've not even dreamed of - one that the Universe specifically has in mind for you."

- Dr. Eric Pearl

Your interaction with these highly palpable energies is initiated during your session, and they continue to work with you long after you've left your Reconnective Healing Practitioner's office. Following your sessions, you will be attuned to a more comprehensive and evolutionary healing frequency than ever before.

THE RECONNECTION®

Originally the meridian lines, sometimes called acupuncture lines, on our bodies were connected to the grid lines that encircle the planet. These grid lines were designed to continue out and connect us to a vastly larger grid, tying us into the entire universe. Over time we became disconnected from these lines.

The Reconnection brings in "new" axiatonal lines that enable us to standardize unique vibratory levels and frequencies for healing and, ultimately, for our evolution. These axiatonal lines are part of a timeless network of intelligence, a parallel-dimensional circulatory system that draws the basic energy for the renewal functions of the human body.

The Reconnection brings in and activates these new lines, allowing for the exchange of **energy, light and information**, the reconnection of DNA strands and the reintegration of 'strings' (simultaneously occurring – or parallel – planes of existence).

Please Note: While not required, it is suggested that you experience one to three Reconnective Healing sessions prior to your Reconnection. Consult with your Reconnective Healing Practitioner for more information.

SESSION INFORMATION

Clothing: Dress comfortably. You will be fully clothed, shoes off, resting face-up on a padded massage table. (Inform your practitioner if you have difficulty lying on your back, and they will accommodate you as best as possible.)

Scents, Fragrances and Aromas: Various scents, fragrances and aromas often appear during your sessions. Please arrive as free of externally added fragrances as possible.

Jewelry, Belts, Coins, Mobile Phones, etc.: Reconnective Healing is not subject to the weaknesses and frailties of "energy" healing, as energy is just a subset of the more fully comprehensive Reconnective Healing spectrum of **energy, light and information**. For this reason, you don't have to empty your pockets, remove your belt, coins, rings, watches or even battery-operated items such as mobile phones, as long as you are comfortable.

Optimal State of Mind: Simply close your eyes and let go. Become the observer and the observed. The witness. Notice. Notice when you notice something. Notice when you notice nothing. Notice when you notice something again. Allow yourself to experience the wonder of expectancy without the attachment of specific and detailed expectation. Trust that the healing that's most appropriate for you is the one that you will receive.

Time: Reconnective Healing sessions typically last approximately 30 minutes. The healings occur outside of the constraints of time and space, so more time is not better. One to three sessions are normally suggested.

The Reconnection consists of two sessions, generally 45 minutes to one hour or so in length, and ideally on consecutive or alternate days.

Fees for Sessions: The all-inclusive fee for **The Reconnection** is 333 EUR/USD/CAD/AUD or the equivalent, including tax/VAT/GST. Fees may vary by country but do not vary within the country or by practitioner. In other words, the fee if US is always 333 USD, the fee in Europe is always 333 Euro or its equivalent, etc. This is a stand-alone fee and is not to be included as part of a "package."

Reconnective Healing session fees however are set individually by your practitioner and are neither "packaged" or discounted.

Mixing: Your Reconnection and/or Reconnective Healing sessions are not to be mixed with energy healing techniques, toning, crystals, or other "energy" practices. Mixing the sessions with anything dilutes them and reduces them to something other than the full Reconnective Healing and/or Reconnection. Avoid "energy" work starting a few days prior to your sessions and through the week following them. The more time you allow yourself to be in your own energy, the better.

Please let us know about your experience, and if your practitioner is doing anything differently than what is described above.
